Amendments to SS-AB-14, LRB - 1901/2

1. Provider of Last Resort - Require basic voice service to be available and prohibit a provider from abandoning a service territory unless the Commission grants a waiver. A waiver cannot be granted if customers in the service territory would not otherwise have access to basic voice service. Basic voice service is available to all who request it (including small businesses, not just residential customers).

1. Page 47, lines 12-13: delete "to residential customers".

2. Page 47, line 20: delete "residential".

3. Page 48, line 25: after that line insert:

"(e) Notwithstanding any other provision in this chapter, a waiver may not be granted if customers in the affected service territory would not otherwise have access to basic voice service."

4. Page 49, line 10: delete line 10.
